PROFILE

Computer Science Graduate | ISC² Certified in Cybersecurity | Cisco Networking credentials

Recent Computer Science graduate with ISC² Certified in Cybersecurity and Cisco Networking Academy credentials, eager to launch a career in cybersecurity. During my industrial training at Globalstar Innovative Technologies, I was tasked with configuring and monitoring network devices, conducting vulnerability assessments, and resolving technical issues. I applied hands-on skills in SQL, data analysis, and security monitoring to improve system efficiency and support risk mitigation. Recognized for analytical thinking, adaptability, and teamwork, I am committed to leveraging my technical foundation to contribute to secure, innovative IT solutions

SKILLS

• Cybersecurity & Vulnerability Assessment	• Networking & Device Configuration
• SQL & Database Management	• Data Visualization (Excel, Dashboards)
•Simulation Tools (basic knowledge)	• Documentation & Record Keeping
• Troubleshooting & Problem-Solving	• Microsoft Office

EDUCATION

Federal University of Agriculture, Abeokuta (FUNAAB)

B.Sc. Computer Science – 2024

EXPERIENCE

Globalstar Innovative Information Technologies — Industrial Training

Jul 2023 – Dec 2024 | Lagos, Nigeria

• Gained hands-on experience in networking devices configuration, monitoring network traffic, and responding to security threats.

• Conducted vulnerability assessments and helped identify potential risks on virtual machines.

• Passed ISC^2 Certified in Cybersecurity exam during internship.

• Prepared official documents, analyzed and presented data using Excel.

• Used SQL to extract and work with database tables for analysis.

• Supported customers with technical network complaints.

CERTIFICATIONS

• ISC^2 Certified in Cybersecurity (2023)

• Cisco Networking Academy – Networking Devices & Initial Configuration (2023)

• Cisco Networking Academy – Introduction to Cybersecurity (2023)

• CFI Certifications (2022): Business Valuation Modeling (Part I & II), Budgeting and Forecasting, PowerPoint and Pitchbook, Dashboard and Data Visualization, Presentation of Financial Information, Corporate and Business Strategy, Advanced Excel Formulas and Functions, Accounting Principles and Standards, Financial Analysis Fundamentals, Maths for Corporate Finance

• LinkedIn Learning (2020): Git Essential Training, JavaScript Essential, HTML Essential Training, Introduction to CSS
