Profile

A detail-oriented Software Engineer with a solid academic background and a passion for building accessible, AI-driven and blockchain-based web applications. Experienced in front-end engineering, agile development, and user experience, with research interests spanning machine learning, mental health tech, and decentralized applications. I bring strong leadership, technical depth, and a commitment to solving real-world problems through technology.

Education

B.Sc. Computer Science

Federal University of Agriculture, Abeokuta (FUNAAB) - 2024
Graduate Member, Computer Professionals Registration Council of Nigeria (CPN) - 2024

Technical Skills

* Languages: JavaScript, TypeScript, Python

* Frameworks & Libraries: React.js, Next.js, Tailwind CSS, Node.js

* Tools: Git, Vite, Firebase, Figma, Netlify

* Practices: Lazy Loading, Caching, Responsive Design, Agile Development

* Interests: AI, Blockchain Development, Crypto Infrastructure, Decentralized Applications (dApps)

Engineering Experience

Frontend Engineer - Milabay (Jun 2023 - Apr 2024)

* Developed scalable UI components using React and Tailwind CSS.

* Optimized performance with lazy loading and browser caching (reduced load time by 40%).

* Built hybrid user/content-based recommendation systems.

* Collaborated in Agile sprints with cross-functional teams.

Junior Frontend Developer - DevKrea8 (Jun 2024 - Jan 2025)

* Contributed to responsive, user-friendly web apps for client-facing platforms.

* Translated Figma designs to high-quality code across various projects.

Leadership & Community

Co-Technical Lead - Crowdsource by Google (2023 - 2024)

* Led local language data contributions for AI training tools.

* Hosted events and tech community meetups.

Core Team - Google Developer Student Clubs FUNAAB (2021 - 2023)

* Mentored over 30 beginners in ML and Data Science.

* Co-organized ML workshops and technical training sessions.

AI Invasion Facilitator - Data Science Nigeria (2021)

* Co-facilitated a week-long Python/ML bootcamp for 40+ new learners.
